

North Quabbin Trails Association

Orange Innovation Center ATTN NQTA
131 West Main Street, Room 305,
Orange, MA 01364

NQTA is a non-profit Trail Design, Development, Stewardship, and Hiking organization dedicated to collaboration and bringing together our outdoor community for the betterment of the North Quabbin Region.

Our mother trail is the creation of the Quabbin to Monadnock Trail (Q&M Trail), a 160 mile east to west Forest Legacy Loop Trail with 12-15 overnight shelters. The West side is the New England Trail. The East side is a series of pre-existing trail systems which will be connected together.

While many trails are now available, NQTA is creating many new trails for outdoor enthusiasts and looks forward to sharing information and new adventures.

Stewardship and hikes are posted on the website, many of which unveil new trails. NQTA's office is at Orange Innovation Center (OIC), Room 305. Our monthly gatherings are also held at OIC on the third floor.

President: Robert Curley
